# Mount Royal Park

– June 12, 2016

Showers threatened throughout the day but, in fact, very little rain fell. The start and finish location at the Beaver Lake Pavilion worked well. 99 people came and participated in 64 "starts".

Bruce Glen designed the four courses and, with Dmitri, hung all of the controls early on Sunday morning. E-timing was used.

The #4 LONG-ADVANCED course had the most starts – 22. It had several long legs and a **lot** of climb!

**Frederick Elias** took first place honours with a speedy time of 1:00:09. **Sven Von Fellenberg** was 2<sup>nd</sup> (1:03:29) and **Vitali Tulchinski** 3<sup>rd</sup> (1:05:18), **Nadine Cybulski** was top woman with a time of 1:25:34. The 7.2 km course had 14 controls.

The #3 SHORT-ADVANCED was 5.3 km and had 13 controls. The leading time was registered by **Ilia Polotsk** (0:56:59). Ilia is new to our events. 2<sup>nd</sup> and 3<sup>rd</sup> spots went to **Glenn Wight** and **Charles Melançon**, who were separated by only 16 seconds at the finish.

Course #2, the 3.7 km INTERMEDIATE was led by the 2-person team of **Christine Rogers** and **Ali Michalska**. Their time: 0:53:12. **Lina Gavrilova** led the Women's division and Raymond Roy the Men's.

The #1 EASIEST course was 2.8 km. Two teams of the **Bissonnette** family had the best times (37 and 43 minutes). **Mireille Nappert** ran the course as an individual in 0:49:04.

Thanks to all who came and competed.

**Elaine prepared the following "thank you"**

...to commend the many members who helped with this meet. **Her words...**

"John updated the map. Reviewed the courses, did all the printing and arranged the weather. Gloria kept registration running smoothly & still remembered the treats for the runners. Dmitri & Elena got up very very early to set up controls. Elena & Lina got runners off to a good start. Dmitri 'did time' at the computer. Lina, Vlad, Fred, Paul & friend picked up controls, even after their own long, hard runs. Bruce provided brilliant courses and, with John's vital 'Notes' that were posted at the Start, capably handled queries by Les Amis de la Montagne re off-trail runners that were spotted! Finally, Anna spoiled us (again) with fresh stawberries & cookies." Wow, what a terrific crew !
