Ramblers Orienteering Club

MEET REPORT: Centennial Park, DDO – September 25, 2011

Another beautiful day for Orienteering! Skies were sunny and the temperature was mild. 98 persons took part, plus 20 youngsters under 12 accompanying their parents.

There were four standard courses, varying in technical difficulty, as well as in length. Competitors on the #4 “Long” had first to complete the 17 controls of Course 3 (4.6 km), after which they received a second map that covered an additional 13 controls and 4.2 km – a total of 8.8 km.

Francis Falardeau finished all of that in just 0:50:35 to place first. **Bernard Turcotte** was less than 3 minutes behind at 0:53:30 and **Stephane Rousseau** came 3rd in 1:07:00.

Stephane Côté led the 29 participants who ran Course 3 (only) with a fast 0:35:59. 2nd and 3rd places went to **Doug Balmer** (0:38:53) and **Pierre Grondin** (0:44:20). **Aurore Varela**, with 0:44:40 claimed 4th place, finishing 58 seconds ahead of husband **Maxime**.

The #2 Intermediate level course was completed in 0:57:03 by the sister and brother team of **Andrea** (14) and **Dominic** (11) **Rousseau**. Finishing 2nd, 27 seconds back, was the **Florent Vilotte** family of four. **Sondra Goldman** came 3rd in 0:59:44

On the #1 course the time of 21 minutes recorded by **Nancy** and **Dominic Bourassa/Deslandes** was easily the fastest on this 2.9 km circuit. First-timers Marc and Dominic Simard were 2nd in 0:28:18. There were 13 individuals/groups who did the “Easiest”.

A feature of the event, at least for the eleven really young kids who ran it – our future stars, was the “String-O” course that Elaine set up, with much help, thankfully, from Ada & Ahmad, Maeve, Ian & Scott, Daniel, David & Chris.

Thanks also to Bruce, who put out seven of the punches Sunday morning – after I had lost a bag full of them late Saturday while installing controls. He, Elaine and Francis took down the 41 controls after the event.

John
