Ramblers Orienteering Club

REPORT: Morgan Arboretum event – October 27, 2013

It was a great Autumn day to enjoy an Orienteering run in Canada's largest arboretum. Skies were mostly cloudy, and at 4 to 6 degrees, it was on the cool side. That had little effect, however, on the turnout, which consisted of many young, very young, as well as more experienced Orienteers –174 participants in all.

Five courses were set ranging from Long and technically challenging to Intermediate and fairly easy. The #5 course consisted of first completing the 5.3 km #4 course and then, with a second map, running another loop of 3.5 km. (Distances by straight-line measurement). That course was tackled by 18 runners who took from just over one hour to just over 3 to complete it.

Francis Falardeau again led the way, covering the 25 controls in only 1:10:45. 2nd and 3rd place went to **Dmitri Golovanov** (1:22:57) and **Thomas Kneubühler** (1:25:13). **Nadine Cybulski** led the four women who did the course, taking 2:07:57.

On the 5.3 km short-Advance #4 course **Ciprian Coman** finished in 1:06:51. **Bruce Glen** and **Doug Balmer** were 2nd and 3rd respectively (1:11:32 and 1:18:33).

The two Intermediate level courses (#3 and #2) attracted the most competitors. On the longer one **Patrick Daigle**, who teaches O at Jean de Brébeuf College, ran with **Carmen Bourbonais**, to finish the 4.7 km #3 in just 0:53:53. Tim English, a Scout leader was 2nd in 1:08:00.

On the 3.3 km #2, short-Intermediate, the team of **Emmanuel Bach** and **Camille Froger** finished in 0:55:05, edging **Marianne Côté-jacques** by a mere 4 seconds. Bach later had a fast run around the #4 course, unofficially. 28 John Abbott college students took part in the event, mostly on the Intermediate courses.

A lot of members contributed to the success of the event. Among them were Gloria, Bruce, Elena, Dmitri, Francis, Veronica and Paul...plus Karen Oljemark of John Abbott who is picking up all the O-flags. Course planning and control placement were handled by yours truly.

Many thanks to all who came and who helped !

John
