## *Ramblers Orienteering Club*

### **REPORT: Street & Mini-park Orienteering-Maze Dollard-des-Ormeaux – April 19, 2015**

*Sunny skies and milder temperatures were very welcome for our initial Spring event – and what a season-opener it was!* There were 118 “starts” and a total participation of 188 – which sort of overwhelmed our registration, starting and timing teams. We are definitely going to need more of you to assist at future meets!!

Four courses were set. The #1 (Novice) was 3.1 km and had 13 controls – perfect for families. It was entirely within the confines of Centennial Park. The other 3 courses ranged from 5.6 to 13.8 km. (All measurements by probable best routes.)

#### **And the honours go to...**

For the #4 *Xtra-LONG* (almost a 1/3 marathon): **Philippe Côté-Jacques** led the way with a time of 1:05:15, followed by **Andreas Rutkauskas** and **Philippe Grangier** (1:06:11 & 1:06:26).

**Jessica Auer** was the fastest woman with a time of 1:23:10. 18 runners did the 19-control course.

The #3 course had 12 controls and covered 8.6 km. There were 52 ‘starts’, including 28 from John Abbott College. **Frederic Elias** topped the field with a speedy 44:50, followed closely by **Christian Reid** and **Dmitri Golovanov** (46:57 & 50:05). **Marianne Côté-Jacques** led the women in 1:03:00.

A team of two, **V. Fardin** and **R. Laverdet**, who were running their first event with us, finished on top of the #2 *Short-MAZE*, recording a swift 38 minutes for the 5.8 km. **Hélène Michon-Lacaze** was 2<sup>nd</sup>, just 2 minutes behind.

The #1 course, 3.1 km, 13 controls, was led by the team of **Lea** and **Camille Reid** (23:00), followed by **Susan Henderson** and **Glenn Wight** (24:23). The **Crete & de Oliveira** team was 3<sup>rd</sup> in 25 minutes. There were 27 starts.

**CONGRATULATIONS** to all who ran or walked the courses – almost 200 of you.

**A warm WELCOME** to the many new participants who came.

Sorry for the line-up in the chalet! We’ll try to avoid a recurrence in the future.

**THANK YOU** to the tiny team that made it all happen :

At Registration: Gloria and Elena were kept constantly busy. At the computer and handling the start and finish were Dmitri and Bruce + Elena and Elaine. *B & E* also picked up many of the controls after the meet. Course designs and the control placements for the Maze were by myself.

And a special **THANK YOU** to Caroline Bischoff and DDO Sports & Recreation, for making the Centennial Park chalet available to us ... and for providing the DDO Civic Centre Board Room for a club strategy meeting after the run. Very appreciated, DDO !

*John*

#### **BIG NEWS coming from the DDO meeting !**

We expect to be able to provide start & finish electronic timing soon...

although not at most control sites, at least until after a trial period. Want to help?
